Once you have completed the online application or submitted a paper application, you will be able to log on to the FACTS Grant & Aid Assessment website with a username and password to check the status of your application. If you submitted a paper application, you should have received a confirmation letter which included a FACTS Access Code. The FACTS Access Code will be required in order to set up your username and password. Applicants who applied online will use the same username and password they set up in order to apply online. For questions regarding the status of your application or if you have misplaced your username and password, you will need to contact a FACTS Grant & Aid Assessment team member at 866-315-9262 or e-mail us at help@factstuitionaid.com.

Family Grant & Aid Application For the school year beginning Fall 2010

Instructions: It is important that you follow all instructions!

- Complete the application in full. Enter zeros in fields that do not apply.
- If the parents are divorced, the parent responsible for payment of the child or children's tuition should complete the application. If each of the divorced parents is responsible for a portion of the child or children's tuition, each parent should complete a separate application and indicate the portion of tuition for which he/she is responsible.
- If the parents are "married filing separately," report total household earnings on the application and enclose both filers' tax returns, including all supporting schedules and W-2 information.
- For all financial-related information, round up to the next whole dollar.
- Retain a copy of the application for your records.

Please select a school by clicking on the "Select School" button. You must select a school where at least one member of your family will be applying for Fall 2010. If your school is not included in this list, please contact a FACTS Grant & Aid Assessment team member at 866-315-9262.
